

# Model Activity Task 2021 (July)

## Class V

### English (Part-4)

#### SECTION A

***Read the passage and answer the questions that follow:***

Hunt, the team leader, selected two teams of climbers. The first team included Tom Bordelon and Charles Evans, while Edmund Hillary and Tenzin Norgay made up the second team.

The first team left on May 26, 1953 to reach the summit of Mt. Everest. The two men made it up to about 300 feet short of the summit, still the highest any human being had yet reached. They were forced to turn back after they encountered bad weather.

#### Activity 1
