The Subject I Like Most

Amongst all subject there are one subject which is always everyone's favourite. My favourite subject since childhood was History. My father used to tell me historical story at home. I could always score good marks in History. I really loved reading History lessons, stories etc. Learning interesting historical facts is my favourite part. I always read several historical books to know the past time of mankind. Since childhood I have enjoyed reading Ancient story books which polish my interest towards the subject.
