1. Read the passage carefully and answer the following questions:

At 11.30 a.m. Hillary and Norgay reached the summit of Mt. Everest. Hillary reached out to shake Norgay's hand, but Norgay gave him a hug in return. The two men enjoyed only 15 minutes at the top of the world because of their low oxygen supply. They spent their time taking photographs and enjoying the view.

A. Complete the following sentences with information from the passage: 1 × 4 = 4

- Hillary and Norgay reached the summit of Mt. Everest.
- Hillary wanted to shake hands but Norgay gave him a hug in return.
- They stayed at the summit briefly because of their low oxygen supply
- They spent their time in taking photographs and enjoying the view.

B. Answer the following questions: 2 × 2 = 4

(i) What did Hillary do after reaching the summit?

Ans: After reaching the summit, Hillary extended his hand to shake hands with Norgay.

(ii) How long did Hillary and Norgay remain at the summit?

Ans: Hillary and Norgay remained at the Summit only for 15 minutes.

Read the passage and answer the questions that follow:

There was quite a number of good teachers in our school. B.D Roy taught us English. He was a small man who took great care to ensure that we pronounced English correctly. One day he told us the story of The Ox and The Frog from Aesop's fables. Before telling us the story, he taught us how the pronunciation of 'the' depends on whether the following word begins with a vowel or a consonant. I fondly remember our head pandit, Bhattacharya Sir, for his excellent handwriting.

Tick the correct answers from the given alternatives:

i) B.D. Roy was the teacher of

- a) Mathematics **b) English** c) Bengali d) Science

ii) The author learnt correct pronunciation from his

- a) Headmaster b) Father **c) English teacher** d) Mother
