2. Write a short paragraph in about sixty words about your 'First Day in School'. Use the points given below: 6

**Points: first day in school—your reaction after reaching school—some classmates you liked—memorable moments—your teachers**

#### **My First Day in School**

I was admitted to a nursery school nearby my house. I went to there holding my mother's hand. I was afraid to go inside, then I saw a boy who was crying bitterly. I came to him and gave him one of my candy. He wiped his tears and giggled. Then we went inside the classroom. The memorable moment was when we saw our teacher. He was dressed in a clown costume. All of us started laughing. From that day I love to go to school everyday.
